UPDATING YOUR EMAIL ADDRESS IN THE CLUB'S MAIL CHIMP EMAIL SYSTEM

Club policy dictates that members are personally responsible for the accuracy and completeness of their personal profiles on the Club Website AND in Mail Chimp. These two systems are NOT linked.

The following tutorial covers updating your profile in Mail Chimp. For information on updating your personal information on the Club's website see the website FAQ page.

Step 2. In your internet browser, click on the box marked "Email Me A Link." This is a security measure to verify that you are who you are.	 Subscribe to Mt. Washington's Newsletter Update your preferences To update your preferences, click the button below: For security, we'll send an email to your inbox that contains a link to update your preferences. The link expires after a while, so be sure to use it quickly. Email Me A Link
Step 3. Mail chimp will respond to the click in Step 2 with a statement that an email with a link has been sent to the email address of record on the email you clicked in Step 1. Note: If you don't receive the email, it may be blocked by your email client. Try using the <u>"Add us to your address book"</u> link as this may solve the issue.	 Subscribe to Mt.
